

My dossier

4 H₂O

A water sports resort

1. Make a poster for your own water park.
2. Think of a good title and write it in big letters.
3. Think of the different activities you can do there: e.g. sailing, waterskiing, canoeing, etc.
4. Draw or stick pictures of the activities and write information about each one such as:
 - What are the opening hours and when can you do each activity?
 - How much does it cost?
 - Is there an instructor?
 - How old do you have to be?
5. Write directions explaining where the water park is and how you can get there.

WATERWORLD!

The only place to do water sports!
