## 5 Stand by me

### First-aid advice

1. Make a leaflet showing people what to do in case of an accident or injury.
2. Think of different injuries and write them down. Use ideas from p. 63 in the Student's Book.
3. Next to each injury, write what you should do and what you need. Cut out the pictures from below and stick them on the leaflet.

**FIRST-AID ADVICE**

**burns:** *Cool the area with cold water. Then wrap with a bandage.*

**you need:**
